# HEIFER MAX 40% LAS

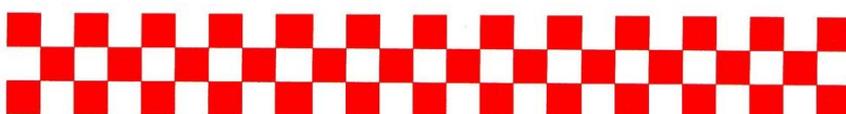

Code III4

## Dairy Heifer Supplement

**HEIFER MAX 40% LAS** Purina supplement is protein (UIP/DIP) balanced and contains the minerals and vitamins needed for growing heifers from 4 to 24 months of age. **HEIFER MAX 40% LAS** is formulated to compliment lower protein forages and/or facilitate accelerated heifer growth programs.

FEATURES	BENEFITS
Unique formulation of un-degradable and degradable protein	Optimizes lean growth and frame development to prepare heifers for early breeding and calving at 24 months.
Designed to be easily mixed with grains	Optimizes use of on-farm grains and forages to lower purchased feed costs
Highly fortified with all essential minerals and vitamins	No added supplementation required Easy and convenient to use
Available in pellet/checker form	Reduces nutrient separation Reduces feed wastage
Contains an Ionophore	Improves growth and feed efficiency Helps control Coccidiosis
Simple 1 kg feeding rate	Easy delivery for accelerated growth programs
Manufactured in a HACCP approved plant with high standards of bio-security and quality	Consistent quality feed Showing our commitment to feed safety and customer satisfaction Peace of mind
Purina feed manufactured in Atlantic Canada	Minimizes transport cost Optimizes freshness

Vitamin D <sub>3</sub>	Min.	18,500 I.U./kg
Vitamin E	Min.	350 I.U./kg
Selenium	Added	1.00 mg/kg

## OPTIMIZE YOUR HEIFER RATION

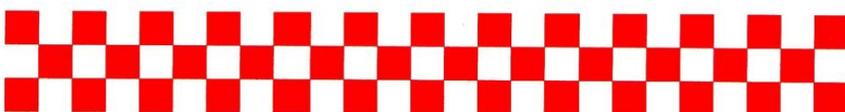

Clarence Farm Services Ltd. recommends you follow these management practices;

1. Provide a source of clean, fresh water at all times.
2. For most forage programs, provide the appropriate Purina dairy mineral free-choice. Minerals should be provided in sheltered feeders.
3. When changing forages or milking rations, the change should be made gradually by mixing the new ration with the old ration for a period of one week.
4. Consult your veterinarian for recommended herd health program.

These recommendations are intended as a guide. They should be adjusted to variables of management, environment and individual needs. Consult your Purina Dealer or Clarence Farm Services Ltd. Farm Consultant if necessary.
