| Selenium               | Added  | 1.00 mg/kg     |

## OPTIMIZE YOUR PRELAY AND LAYER RATIONS

Clarence Farm Services Ltd. recommends you follow these management practices;

1. Provide a source of clean, fresh water at all times.
2. Please consult your Clarence Farm Services Ltd. Poultry Specialist for a lighting program to maximize feed intake and growth.
3. Please ensure that bedding is kept clean and dry for bird comfort and cleanliness.
4. Consult your veterinarian for recommended flock health program.
5. Directions for use must be followed carefully.
6. Do not feed this feed in association with another grain ration, supplement or premix containing selenium.
7. Feed is perishable. Store in a dry, well ventilated area protected from rodents and insects. Do not feed mouldy or insect-infested feed to animals or it may cause illness, abortion, or death.

These recommendations are intended as a guide. They should be adjusted to variables of management, environment and individual needs. If necessary, consult your Purina Dealer or your Clarence Farm Services Ltd. Farm Consultant.

### Disclaimer of Liability:

Individual results from the use of this product may vary based upon differences in customers' programs of management, health, sanitation, breeding, genetics, and feeding. Therefore, Clarence Farm Services Ltd. and its dealers do not warrant or guarantee individual results.
