TOP MILKER 30 HRE

Code 1615

Dairy Top Dress Protein Supplement

TOP MILKER 30 HRE is a higher energy and bypass (UIP) Purina top dress supplement. **TOP MILKER 30 HRE** designed for early lactation cows to help maintain milk production and body condition.

FEATURES	BENEFITS
Designed to meet the nutritional requirements of the early lactation cow	Supplies a high level of energy to maintain body condition and help improve reproductive performance
High standard of ingredient quality	Consistent performance
Formulated with the proper balance of protein fractions (UIP/DIP)	Enhances microbial growth, which leads to improved ration digestion and utilization
Multiple source quality proteins	Improves amino acid balance and protein supply for enhanced milk production and milk protein
Fortified with essential mineral and vitamins	Improves immune system and maintains animal health
30% protein	Lower protein top dress to maintain proper energy/protein balance
Available in checker/pellet form	Palatable and convenient Reduces dustiness, nutrient separation, and feed wastage problems
Manufactured in a HACCP approved plant with high standards of bio-security and quality	Showing our commitment to feed safety and customer satisfaction Consistent quality feed
Purina feed manufactured in Atlantic Canada	Minimizes transport cost Optimizes freshness

Selenium	Added	0.22mg/kg

OPTIMIZE YOUR DAIRY TOP DRESS

Clarence Farm Services Ltd. recommends you follow these management practices;

1. Provide a source of clean, fresh water at all times.
2. For most forage programs, provide the appropriate Purina dairy mineral free-choice.
3. Purina **TOP MILKER 30 HRE** is designed for a higher inclusion feeding rate to maximize energy intake.
4. Purina **TOP MILKER 30 HRE** is for performance herds or herds looking to improve body condition.
5. Any forage or ration changes should be made gradually.
6. Consult your veterinarian for a recommended herd health program.

These recommendations are intended as a guide. They should be adjusted to variables of management, environment and individual needs. If necessary, consult your Purina Dealer or Clarence Farm Services Ltd. Farm Consultant.
