

**Code 3504**

# CFS BIG'UN 300

**Make sure your mare and foal receive all the nutrition they need!**

**CFS Big'Un 300** is a pelleted maternity feed. **CFS Big'Un 300** has enhanced fortification to meet the nutrient requirements of stallions, late gestating mares, lactating mares, suckling foals, and weanlings. **CFS Big'Un 300** is versatile and easy to use.

FEATURES	BENEFITS
A complete and balanced feed for late gestating and lactating mares	Provides mares with quality nutrition to improve milk production and maintain body condition
A balanced feed fortified for suckling foals and weanlings	Provides nutrients required for healthy growth and development
Excellent creep feed	Satisfies the increasing nutrient requirements of nursing foals as they grow
Pelleted texture	Increases digestibility of starch Prevents sorting for a more consistent feed intake
Contains balanced amino acids	Provides protein building blocks for improved muscle development
Contains organic Selenium	Higher bioavailability and optimal absorption
Convenient and versatile	Mares and foals are fed the same feed
Palatable feed	Increases feed intake
Manufactured with the highest standards of biosecurity and quality	Consistent quality feed Showing our commitment to feed safety and quality
CFS horse feeds and supplements are animal by-product free (ABF)	Peace of mind
Available at a competitive price	Excellent value
High quality feed manufactured in Atlantic Canada	Minimizes transport cost Excellent value Optimizes freshness

# CFS BIG'UN 300

Code 3504

Feed **CFS Big'Un 300** in conjunction with water and a minimum of 1% body weight (on a dry matter basis) of a long-stemmed forage (hay/pasture). Feed according to the following table. The lower quantity meets minimum vitamin and mineral requirements, and the higher quantity meets superior recommendations. Ideally, feed enough **CFS Big'Un 300** to achieve desired body condition. For every kilogram under the superior recommendation, provide 200 grams of **CFS Select (3571)**. See tag for more details.

ACTIVITY LEVEL	Kg / 100 kg of Body Weight	
	Minimum	Superior
<b>Broodmares</b>		
Gestating Mare	0.73	1.00
Lactating Mare	0.91	1.25
<b>Foals</b>		
4 – 6 Months	1.00	1.25
7 – 24 Months	0.91	1.25

## GUARANTEED ANALYSIS

<b>Crude Protein</b>	Min.	16.00%
<b>Crude Fat</b>	Min.	5.00%
<b>Crude Fibre</b>	Max.	15.00%
<b>Sodium</b>	Actual	0.45%
<b>Calcium</b>	Actual	1.35%
<b>Phosphorus</b>	Actual	0.75%
<b>Vitamin A</b>	Min.	10000 IU/kg
<b>Vitamin D<sub>3</sub></b>	Min.	2,200 IU/kg
<b>Vitamin E</b>	Min.	300 IU/kg
<b>Selenium</b>	Added	.40 mg/kg

## CALORIE METER

Nutrients	Ingredients
	* Not in order of Inclusion Rate
Fibre	Soyabean Hulls Ground
Protein/Amino Acids	DL-Methionine, Canola Meal, Soy Meal, Lysine
Starch	Ground Corn, Ground Wheat
Fat	Soy Oil
Probiotic	
Vitamins	Choline Chloride, Vitamin A, Vitamin D3, Vitamin E, Vitamin K, Riboflavin, Niacin, Thiamine, Vitamin B12, Biotin
Minerals	Salt (Sodium Chloride), Calcium, Calcium Propionate, Calcium Iodate, Cobalt Carbonate, Copper Sulphate, Ferrous Sulphate, Manganese Oxide, Zinc Oxide, Organic Selenium, Selenium
Multi-Attributes	Wheat Shorts
Flavour/Binder	Molasses

## OPTIMIZE YOUR HORSE'S DIET

Clarence Farm Services Ltd. recommends analyzing your hay and balancing the ration accordingly.

Feed clean and dust free hay in sufficient amount daily. Feeding poor quality hay or feeding inadequate amounts could cause colic and other digestive upsets.

Offer source of salt (NaCl) daily as well as plenty of fresh and clean water at all times.

Make any feed change gradually over a 7 to 10 days period.

Daily ration should be divided into 2 and preferably 3 separate feedings or more.

Use a scale to weigh your feed, so you know exactly how much your horse is being fed. Do not feed by volume.

Clarence Farm Services Ltd recommends providing a maximum of 0.5% of body weight of this feed at one time.

Follow sound management practices along with optimal preventive veterinary medicine.

These recommendations are intended as a guide. They should be adjusted to variables of management, environment and individual needs.

If necessary, consult your Purina Dealer or CFS Equine Consultant 902-890-5354 or [equine@cfs.ca](mailto:equine@cfs.ca)
