Vitamin D <sub>3</sub>	Min.	7,500 IU/kg
Vitamin E	Min.	300 IU/kg
Selenium	Added	1.40 mg/kg

August 2014

## OPTIMIZE YOUR DRY COW RATION

Clarence Farm Services Ltd. recommends you follow these management practices:

1. Provide a source of clean, fresh water at all times.
2. If necessary provide the appropriate Purina dairy mineral free-choice.
3. Consult your veterinarian for recommended herd health program.
4. Any ration changes should be made gradually.

These recommendations are intended as a guide. They should be adjusted to variables of management, environment and individual needs. If necessary, consult your Purina Dealer or Clarence Farm Services Ltd. Farm Consultant.
