PEAK PERFORMER 14 -20 Codes 1400-1407

Peak Performer is a nutritionally balanced Purina complete feed for milking cows fed hay, haylage, or a mixture of corn silage and haylage. Feed to milking cows in amounts that will balance the available forage.

OPTIMIZE YOUR DAIRY RATION

Clarence Farm Services Ltd. recommends you follow these management practices;

1. Provide a source of clean, fresh water at all times.
2. For most forage programs, provide the appropriate Purina dairy mineral free-choice. Minerals should be provided in sheltered feeders.
3. When changing forages or milking rations, the change should be made gradually by mixing the new ration with the old ration for a period of one week.
4. Consult your veterinarian for recommended herd health program.

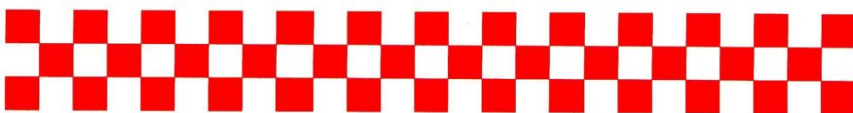

GUARANTEED ANALYSIS

Crude Protein	Min.	14,16,18,20%
Crude Fat	Min.	2.3%
Crude Fibre	Max.	14.0%
Sodium	Actual	0.5%
