OPTIMIZE YOUR LAYER RATION

Clarence Farm Services Ltd. recommends you follow these management practices:

1. Provide a source of clean, fresh water at all times.
2. Please consult your Clarence Farm Services Ltd. Poultry Specialist for a lighting program to maximize production and minimize intake.
3. Consult your veterinarian for recommended flock health program.

These recommendations are intended as a guide. They should be adjusted to variables of management, environment and individual needs. If necessary, consult your Purina Dealer or Clarence Farm Services Ltd. Farm Consultant.

Disclaimer of Liability: Individual results from the use of this product may vary based upon differences in customers' programs of management, health, sanitation, breeding, genetics, and feeding. Therefore, Clarence Farm Services Ltd. and its dealers do not warrant or guarantee individual results.
