BROILER FINISHER HIGH YIELD w/o

Code 7053
Poultry Feed

BROILER FINISHER HIGH YIELD w/o is a complete and balanced Purina feed for broiler chickens.

FEATURES	BENEFITS
Highly fortified with all essential minerals and vitamins	Maximizes nutrient utilization
Manufactured in short pellet form sized for the stage of life cycle	This allows for consistency of nutrition and eliminates separation
Contains treatment for Necrotic Enteritis (NE)	Aids in the prevention of NE losses
Treatments for NE are rotated on a regular basis in consultation with veterinarian	Aids in the prevention of development of resistant strains of bacteria
Coccidiosis medication removed while treatment for NE is maintained	Allows for flushing of medication from birds prior to slaughter
Manufactured in a HACCAP approved plant with high standards of bio security and quality	Consistent quality feed Showing our commitment to feed safety and customer satisfaction
Purina feed manufactured in Atlantic Canada	Minimizes transport cost Optimizes freshness

OPTIMIZE YOUR BROILER FINISHER RATION

Clarence Farm Services Ltd. recommends you follow these management practices;

1. Provide a source of clean, fresh water at all times.
2. Please consult your Clarence Farm Services Ltd. Poultry Specialist for a lighting program to maximize feed intake and growth.
3. Please ensure that bedding is kept clean and dry for bird comfort and cleanliness.
4. Consult your veterinarian for recommended flock health program.

These recommendations are intended as a guide. They should be adjusted to variables of management, environment and individual needs. If necessary, consult your Purina Dealer or your Clarence Farm Services Ltd. Farm Consultant.

Disclaimer of Liability:

Individual results from the use of this product may vary based upon differences in customers' programs of management, health, sanitation, breeding, genetics, and feeding. Therefore, Clarence Farm Services Ltd. and its dealers do not warrant or guarantee individual results.
