CFS Racers Edge

Complete Feed

CFS Racers' Edge is a highly fortified textured feed designed for race and performance horses. Calories are sourced primarily from fat, flaked grains, and whole oats, providing energy from easily digested starch and fibre. With a good fat level and higher fortification, **CFS Racers Edge** provides a reliable feeding option for horses in training, racing, and competition.

Feed **CFS RACERS' EDGE** in conjunction with at least 1% of body weight (on a dry matter basis) of a long-stemmed forage (hay/pasture). Feed **CFS RACERS' EDGE** according to the following table. The lower quantity meets minimum vitamin and mineral requirements, and the higher quantity meets superior recommendations. For every kilogram under the superior requirements provide 225 grams of **CFS Elevate** (3573). For growing horses or low hay analysis, **CFS Select** (3571) may be better suited as the ideal top-dress supplement.

OPTIMIZE YOUR HORSE'S DIET

Clarence Farm Services Ltd. recommends analyzing your hay and balancing the ration accordingly.

Feed clean, dust free hay in sufficient amount daily. Feeding poor quality hay or feeding inadequate amounts could cause colic and other digestive upsets.

Offer source of salt (NaCl) daily as well as plenty of fresh and clean water at all times.

Make any feed change gradually over a 7 to 10 days period.

Daily ration should be divided into 2 and preferably 3 separate feedings or more.

Use a scale to weigh your feed, so you know exactly how much your horse is being fed. Do not feed by volume.

Clarence Farm Services Ltd. recommends providing a maximum of 0.5% of body weight of this feed at one time.

These recommendations are intended as a guide. They should be adjusted to variables of management, environment and individual needs. Follow sound management practices along with optimal preventive veterinary medicine. If necessary, consult your Purina Dealer or CFS Equine Consultant 902-890-5354 or equine@cfs.ca
